Profile

Inventive React JS Developer with Full Stack Web Developer and Game Developer experience. Passionate about learning new technologies and bringing ideas to life.

Experience

Yoocollab, Software Development

<https://yoocollab.com>

| June 2022 - Present

POSITION | React JS developer

- Worked in an Agile Scrum environment, collaborating with the Development team, Clients, Project Managers, and Designers to discuss user interface ideas, functionality implementation, and overall project progress.
- Actively participated in meetings, including groomings and presentation of sprint demos, to ensure effective communication and alignment among cross-functional teams.
- Developed and implemented highly responsive and reusable user interface components using React concepts, resulting in improved user experience and code maintainability.
- Conducted thorough troubleshooting of interface software, identifying and resolving issues promptly to ensure smooth functionality.
- Performed code reviews and implemented refactoring strategies to enhance code quality, readability, and performance.
- Contributed to the design and implementation of a scalable front-end architecture that supported innovative user interface concepts and facilitated future growth.

Candy Wings, Game Development

www.candywings.com

| January 2022 - June 2022

POSITION | Junior React JS developer

- Developed and implemented high-quality user interface components, by leveraging React JS within the React Native layer, ensuring a seamless and visually appealing user experience across multiple mobile platforms.
- Proficiently profiled and optimized front-end performance, identifying bottlenecks and implementing effective solutions to enhance application speed and responsiveness.
- Collaborated closely with the development team, designers, and stakeholders to gather requirements, provide input on UI/UX design, and deliver solutions that met project objectives.
- Proactively stayed up-to-date with the latest trends and advancements in front-end development, exploring new tools and techniques to continually enhance skills and productivity.

CyberTech, Web Development Startup
<https://www.linkedin.com/company/cyber-tech-armenia/about/>
| 2020 December - 2022 January
